Foothills Crossed Flags, the monthly newsletter of Foothills Corvette Club, is emailed after the business meeting. susie.mrsmiller@gmail.com

Business meetings are held the Second Tuesday of each month 6:00PM at Brushy Mountain Smokehouse and Creamery in North Wilkesboro .

Rides or social events take place each month except in cases of inclement weather. COVID-19 may cause events, meetings and activities to change.

We had a great meeting at Carol & Harold Mecimore's on September 8th. COVID-19 has kept us without a meeting place since April and the Governor announced we are in phase 2.5 until October 3rd. We'll wait to see if things change in October. We appreciate Carol and Harold for being such gracious hosts for FCC.

News, News and More News

During our September meeting we nominated officers for 2021. The following are your officers nominated for next year. I'm sure we all look forward to working with our new officer and what they will bring to the club.

A Letter From Your FCC President

To: Foothills Corvette Members,

As many of you are aware, Melanie Sebastian has recently decided to resign as club President. Her work efforts are greatly appreciated and we wish her well.

As Vice-President, I will be assuming the role as President with Rusty McGee as Vice-President for the remainder of this year. We were also elected to serve these offices for the upcoming 2021 year at our last monthly meeting. As we all know, COVID-19 has basically crippled and inconvenienced many activities and situations for everyone. However, We have a strong and dedicated club and will work through it.

I want to thank the club for their trust and confidence in allowing me this honor. I am honored at being one of the charter members of this 21year old club. I cannot begin to count the numbers of new friendships, the special fellowship and the endless memories it has brought. I am committed in giving you my very best to meet your expectations as President. Your help and support is desperately needed during this difficult time and I welcome and count on each of you for that. At any time, please feel free to call if ever there is a problem or issue that needs be addressed. The future of any club is all about the members - not about any one individual. I am excited for the future and once again ready to have some fun and fellowship with our Corvettes and Foothill's family.

Larry Price
