Foothills Crossed Flags, the monthly newsletter of Foothills Corvette Club, is emailed after the business meeting. susie.mrsmiller@gmail.com

Business meetings are held the Second Tuesday of each month 6:00PM at Brushy Mountain Smokehouse and Creamery in North Wilkesboro .

Rides or social events take place each month except in cases of inclement weather. COVID-19 may cause events, meetings and activities to change.

COVID-19 again put a damper on our December events and meetings with a mandate of only ten people allowed at an event. I sincerely hope all of our members and families are well.

Merry Christmas

And Happy New Year

Ebenezers Children's Home is our chosen charity for 2020

May each child there have a Very Merry Christmas!

On December 18th at 3:30PM we will be delivering 87+ gifts for the children residing at Ebenezers. Join us if you can to drive by each home and wave to the children.

Gifts for the older teenage girls included a watch gift set.

Merry Christmas

Fully Packed and No More ROOM!

Each child's package included a reindeer or Santa treat.

Homes that have girls received a nail dryer and polish kit.

Your donations have made a difference in the life of a child this Christmas—

Each child received 2 pair of pajamas and fuzzy socks.

Please know these are just some of the pj's to give you an example. The pj's were wrapped in a reusable bag that the children may use to keep other items in.

Ebenezers will have a Christmas Dinner provided by FCC and each child will have a movie night at the theater complete with popcorn and soda.

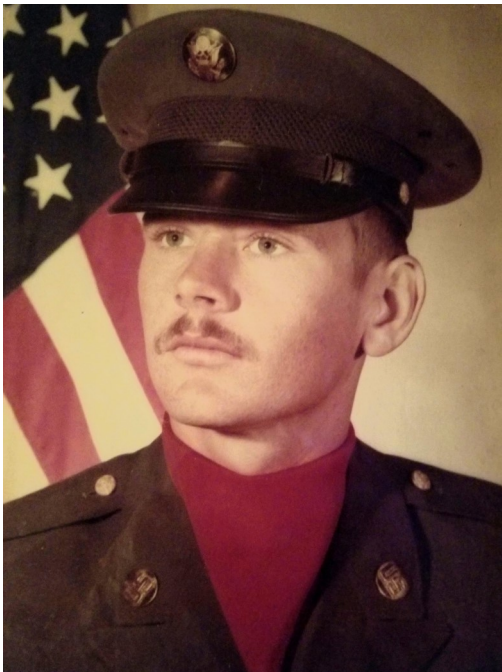

An example of the unwrapped discovery toys and crafts for the children.

Each home also received a large box of Legos and a jigsaw puzzle. We also provided a Jr. Metal Detector and digging tools for the children to share and 6 movies for each house to share for the holidays.

E3, and he was in Vietnam. He was on the USS Newport News. They called the ship "The Gray Ghost." They had a big gun Turret blow up and kill 20 guys. One of them was his best friend, Terry Wayne Deal. He is buried in Taylorsville. Jimmie lost as many stripes as he earned. His Captain told him that he could have his job if he would stop losing his stripes. Lol! He still hasn't grown up yet. On his way to Norfolk to get on the ship for Vietnam, a drunk driver crossed the medium and hit him head on. Jimmie went through the windshield. He had to have several stitches in his face. His ball cap came over his eyes which saved his sight. Two of the four guys got discharged from the Navy because of their injuries. Jimmie went to Vietnam on the ship in sickbay. They later had to send him to a hospital off ship because of headaches. He gradually got well enough to return to the ship. He is proud of his time in service. Sometimes he wishes that he would have stayed longer, but after losing his best friend, he was ready to go home. If they called him now, he would go.
